

MURAT AKOVA, M.D., FESCMID, FIDSA, FECMM

Infectious Diseases Department, Hacettepe University School of Medicine, Ankara, Turkey

Murat Akova is Professor of Medicine in the Infectious Diseases Department at the Hacettepe University School of Medicine in Ankara, Turkey. He graduated from Istanbul University, Istanbul Medical School and went on to complete his residency training in internal medicine at Hacettepe University School of Medicine. In 1991, he received his subspecialty degree in Infectious Diseases from the same university. Dr. Akova studied at the Department of Medical Microbiology in London Hospital Medical College, London, UK between 1988-1989 and obtained a Diploma in Clinical Microbiology from this institution. From 1992 to 1993 he served as a visiting scientist at the Center for Adaptive Resistance and Microbiology at Tufts University School of Medicine, Boston, USA. Professor Akova became the Vice

Dean of the Medical School at the Hacettepe University School of Medicine in 2000, a post that he held for six years. During this time Professor Akova was also a faculty member in the Department of Medical Education and Medical Informatics.

He has served in the executive committee of the International Antimicrobial Treatment Group of the European Organization for Research and Treatment of Cancer (EORTC), and is currently an active member of the Infectious Diseases Group (IDG) of the same organization. Dr Akova has served in European Society of Clinical Microbiology and Infectious Diseases (ESCMID) since 2007 and concluded his service in April 2018 as the Past President and Communications Officer (President, 2014-2016). He was one of the founding members of the ESCMID Study Group on Infections in the Compromised Host (ESGICH). He has been active member of the European Conference on Infections in Acute Leukemia (ECIL) since its foundation in 2005.

Professor Akova's scientific research interests include infections in immunocompromised host, prevention of infection and antimicrobial resistance.
